

Impact 100 SRQ Founding Year Shared Membership Policies

1. Impact 100 SRQ allows women to form a Shared Membership.
2. Each Shared Membership must designate the Voting Member (1) chosen by the group, to participate in all voting procedures, both in committee and at the annual celebration, and to serve as the sole point person for the group.
3. Each Shared Member of the group must participate in the same Focus Area Committee, if they choose to participate. A Shared Member is not required to participate on a committee, even if the others choose to.
4. Each Shared Membership will only have one (1) vote in the Final Grant Award selection at the Annual Celebration. The Voting Member (1) of the group will cast the vote on behalf of herself and the group.
5. Each member of a Shared Membership may attend all Impact 100 SRQ public events and may participate in all volunteer activities, including serving on *non-voting committees* (ex. Membership, Events, Communications, etc.). See Limitations 2, 3 and 4 above.
6. Membership contribution for a Shared Membership will be \$1,000 plus a \$100 administrative / operational cost fee.
7. Full membership contributions must be received in one payment (single or multiple checks). Payments may be made by check or credit card.
8. No payment plans will be offered.
9. Each member will receive a tax acknowledgement letter for her records.

By signing below each member acknowledges that she has read and understands the Impact 100 SRQ Shared Membership Policies and agrees to abide by the policies.
